

DEAD DELEGATE'S NAME IS CALLED

Dramatic Incident of the Republican City Convention During Roll-Call, When Ninth District Was Reached.

An incident of the Republican City Convention was dramatic and pathetic. When it became necessary to call the roll Secretary George Manchester ran down the various Assembly districts until he reached the Ninth, and called: "Ninth District, Frederick S. Gibbs." There was no reply, and Manchester called again:

For years Mr. Gibbs was the leader of the Ninth District. In city and county conventions his name headed the roll of the delegates sent to represent the party in the Ninth. He was elected at the primaries, although on his deathbed, and when the roll was sent to the secretary it was made up from the ticket that won at the primaries.

A few days ago Mr. Gibbs died, and a funeral was held with friends and the clergy of the Irish and English churches.

the death. The convention passed suitable resolutions on the death of Mr. Gibbs.

Women's \$2.50 Fall Shoes, \$1.98.

COULD we have more interesting news to present at the beginning of the Autumn season? These Shoes were made for us. We approved the specifications, the leather, the styles. They are as fine as the Shoes that ordinarily we sell for \$2.50 a pair—which is somewhat better than ordinary \$2.50 Shoes. But because we let the maker fill in dull time doing them and did not insist on immediate delivery, we have them to sell for fifty-two cents a pair less than our usual price. Four styles, both lace and button. Made with Goodyear welted soles, kid and patent leather tips, slight extension on the soles and low heels. A medium round toe last that is sensible, comfortable and stylish. \$1.98 a pair.

Second floor, rear, West Building.

HATS as the best Hats that ever cost \$2.00—we are selling them less than cost just because we want more men to get acquainted with this Men's Hat Store.

They are in the new Fall blocks, every one of them smart and fine and well finished. The felt is good and strong and durable. The black is the blackest and best that they could be dyed. The trimmings are all high class. They are \$2.00 Hats, in fact—ordinarily we can't sell such Hats for less, though we are content with smaller profit than most stores.

But for Friday—just half—and enough for all who come at **\$1.00.**

Friday's price for them is \$8.98.
